

Disclaimer and Licence Agreement [After INHS: <http://www.inhs.uiuc.edu/chf/pub/disclaimer.html>]

{Translated into Japanese and forming part of the Agreement in the same directory [here](#)}

IMPORTANT: This Licence Agreement is intended for persons intending to access or utilize the texts, tables, figures and datasets freely distributed by YNU (or any other approved website host) via the Internet and on CD in its entirety. The author, editors, compilers and administrators accept no liability whatsoever associated with access, use, or misuse of this information. You, the Licencee, accept full, non-transferable risk and may open a file or click on a link only if you agree to abide fully and to be bound by the following terms and conditions (the "Agreement"); if you feel unable to comply, please do not proceed further nor access any files, currently nor retroactively. NO WARRANTY: Data is provided "as is": there is no guarantee or warranty concerning the accuracy of information contained in the data. There is no warranty, either expressed or implied, as to any other matter whatsoever, including, without limitation, the condition of the data, figures and text, or their fitness for any particular purpose. The burden for determining fitness for use lies entirely with the users at their "own risk". Although these data have been compiled and processed as completely as possible, no warranty, expressed or implied, is made regarding the use of these data on any other system, nor does the fact of distribution constitute or imply any such warranty. Specifically, distributional, ecological, taxonomic, bibliographic and other such reports should not assume absolute veracity, completeness, or currency in or of the information contained within the data.

LIMITATION OF LIABILITY: In no event nor under any circumstance shall the provider have any liability for payment of any consequential, incidental, indirect, special, or tort damages of any kind, including, but not limited to, any loss of profits or damages or any claims arising out of use of or reliance on the data or arising out of the delivery, access, installation, operation, or support of the data. Furthermore, because there is no charge for use, in no event shall there be liability for the subject matter of this Agreement under any theory of liability including for any direct, indirect, incidental, special, consequential, punitive, exemplary or other damages arising out of this Agreement or the use of the data. This limitation shall apply even if the supplier was or should have been aware or advised of the possibility of such damages and notwithstanding any failure of essential purpose of any limited remedy stated hereby.

USE OF WEBLINKS: Where this publication provides links to other websites this does not in any way endorse the contents or reliability of these other websites, nor imply any affiliation, responsibility or liability for the contents of these other websites. Should you use a link to any other website, you do so entirely at your own risk and responsibility.

PROTECTION OF PROPRIETARY RIGHTS: Reproduction or redistribution of digital data

or products derived therefrom outside of the Licencee's organization or entity is expressly forbidden. You may not reassign your rights or delegate your obligations under this Agreement. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights in any third party. None of the data or figures obtained in digital form shall be electronically duplicated as hardcopy or on magnetic or optical media for use by others, in whole or in part, without without prior written consent of the copyright holder.

CREDITS AND COPYRIGHT: All international rights reserved. Unless stated otherwise, or exclusive copyright is held elsewhere, the contents of this CD and any related information on the Internet website are ©**R.J.Blakemore, 2005, 2006**. You may not reproduce in any form, all, or any part of the original text, figures or datasets of this CD or website other than extracts permitted for your personal study use. You, your agent, representative, or subcontractor may not recopy, alter a document's format or security, nor redistribute any of the material. You may recompile data on your own under your own effort with sufficient acknowledgement of sources. Permission is granted to persons affiliated with academic and non-profit organizations to use such data for Scientific and Scholarly purposes only. Publications, reports, and other articles resulting from the information so received must acknowledge the source. If you, the Licencee, have modified the data in any way, you are obligated to detail these modifications. You must also agree specifically not to misrepresent datasets, nor to imply that copyright holders approved any changes without prior written permission.

[Copies of works by the author published in scientific journals may be shared with students and respected colleagues for their personal use or study as permitted by copyright holder(s)].
